THE 2017 AUSTRIAN GENERAL ELECTION RESULT
mapped by municipality and resized by the number of eligible voters

**STRONGEST PARTY**
- **SPÖ** Social Democrats
- **ÖVP** Austrian People’s Party
- **FPÖ** Freedom Party

**PERCENTAGE OF VOTES**
- **SPÖ** 26.9%
- **ÖVP** 31.5%
- **FPÖ** 26.0%

- **GRÜNE** 3.8%
- **NEOS** 5.3%
- **PILZ** 4.4%

These maps represent the actual size of the electorate rather than the size of the territory. Therefore, the 2,099 municipalities of Austria plus the 23 municipal districts of Vienna have been resized according to the spatial distribution of 6,401,304 eligible voters across the country.

The main map (left) indicates the strongest party, while the smaller maps (below) highlight the spatial variations of the election results of the six most popular parties.
